FY2011-2012 Annual Report to the Santa Clara County Library District Joint Powers Authority Board

In the past year:

- Circulation: 11 million
- 21,412 new patrons received Library cards
- 6,087 new free student cards issued (6 mos.)
- 4,698 new library cards sold (6 mos.)
- 8% increase in circulation to District residents
- 212,848 (52%) of the 410,001 Library district residents have library cards
- 3.4 million people visited library buildings
- 72,884 Overdrive digital ebooks, audiobooks, music & more checkouts
- 39,766 E-Book checkouts
- 32,543 Downloadable Audio checkouts
- 10,595 total Brainfuse Online homework assistance sessions; 81% dedicated to homework help
- 2.4 million virtual visits for the year
- Self-Service: 6.9 million transactions
- Over 7.2 million online catalog and journal subscription searches

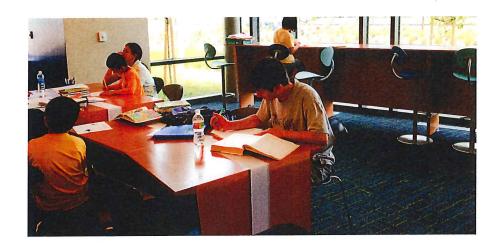

STRATEGIC PLAN IN ACTION:

- Establishment of four Strategic Action Teams to focus staff energy and resources on strategic plan goals:
 - Family Reading Action Team has created "Bonus Bag" kits for parents to enjoy with children, and will be working on implementing a custom version of ALA's Every Child Ready to Read initiative.
 - Outreach and Programming Action Team has created supply kits and online resources to facilitate community outreach by library staff at schools, service groups, community groups, local fairs and festivals – wherever our target audiences can be found!
 - Video Action Team has developed a SCCL YouTube channel and provided staff with tools and training to create book trailers, videos to promote events, training for patrons in using library technology, and videos on other aspects of library service. While still in its infancy, the channel has already had over 2600 views. The group has also created a new promotional video for SCCL as a whole that will debut at the Staff Development Day on May 11.
 - Borrowers and Free Agents Action Team has identified the subjects of interest to adults 25-45 in our communities and is creating a framework for library staff to act as subject matter experts in creating online content and connecting with community groups.

- Hours expansions at Campbell Library (from 47 hours on 5 days to 51 hours on six days) and Cupertino Library (from 60 to 66 hours per week)
- Successfully completed customer service training for 100 library clerks and pages
- Grant funded Friday Night Family Reading pilot held at Gilroy and Milpitas Libraries

TECHNOLOGY AND INFORMATION RESOURCES:

- Installation of all new public computers with larger monitors and software update
- Added a number of digital resources, including eBooks from Books 24x7 (ITPro and Well-Being Essentials), Axis 360, and

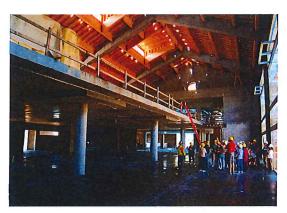

Kindle eBooks became available through our *Overdrive* collection. Our eAudio collection was greatly enhanced with the inclusion of *OneClickdigital* from Recorded Books.

Improved patron convenience by offering e-payment options

BUILDING IMPROVEMENTS:

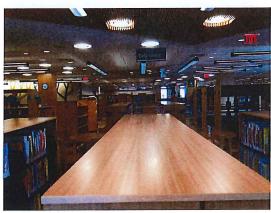

- Grand Opening of the New 55,000 sf Gilroy Library, April 28, 2012.
- Remodeling/renovation projects at Campbell (furniture, carpet, paint), Los Altos (carpeting, reference desk redesign), Cupertino (reading room furniture and carpeting), and Saratoga (flooring, scheduled in May)

- New convenient automated materials handling system with exterior outlet installed at Campbell Library
- Design Development and construction contracts issued for renovation of Library Administration and Support Services Center

EMERGING ISSUES: ECONOMIC IMPACTS:

Three significant issues impact the Library District's fiscal standing in the near and longer term. The first is property tax proceeds. It appears that the decline in property values and, hence tax proceeds, has been reversed in most of our member cities. We expect to see very modest future growth rather than declines or stagnation seen in the last two fiscal years.

The loss of State financial support for public libraries is the second issue. The implementation of the non-District resident card fee has partially offset the State revenue loss and the reduction in workload has allowed the Library to maintain quality service to District residents.

The third issue is the change in State law eliminating Redevelopment Agencies. In the immediate aftermath of the law change, it is difficult to project the time frame and magnitude of a positive impact on the Library District property tax proceeds. The District loses approximately \$2.7 million annually to redevelopment and it could be as long as 20 years before the loss is fully recovered.

CONCLUSION:

The Fiscal Year 2012-2013 Budget is balanced and maintains service hours of operation. This proposed budget will afford staff an opportunity to review and determine how best to deliver quality library service to our residents in the most efficient way.

Secured property tax proceeds are projected to increase 1.5%; other property tax sources are forecasted to improve slightly from the amounts approved in FY 12 budget. Fine and Fee revenue is projected to maintain an increased level based upon the implementation of a non-resident library card fee. Contributions from Cities is reduced due to the elimination of funding for extra hours in Milpitas. Other Library Services is reduced due to the Dept. of Corrections Literacy Services contract cancellation. The transfer from reserves is necessary to fund replacement technology projects to be undertaken in FY 2013.

FISCAL YEAR 2013 PERSONNEL REQUEST

The fiscal year 2012 personnel budget was reduced by 4%, from \$21,656,000 to \$20,778,236, as a result of savings from labor contract negotiations that were completed after the JPA approved the budget.

The proposed personnel budget of \$21,642,347 for fiscal year 2013 reflects a nominal decrease from the original JPA-approved fiscal year 2012 personnel budget, but an increase of \$864,111 from the revised budget.

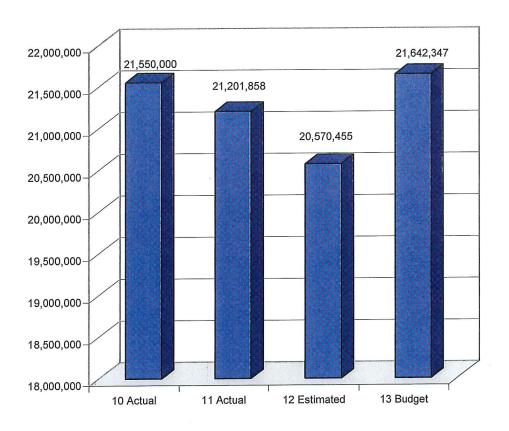

Approximately \$375,000 of the increase results from funding positions that were left unfilled throughout FY2012, as well as restoring allocations at most libraries for extra librarian hours that were curtailed due to budget limitations in FY2012.

While negotiated increases in employee retirement contributions provided some ongoing savings, retiree health charges to departments were increased to account for underfunding of the program in recent years. In addition, SEIU employees are taking ten days of unpaid furlough in FY2012, but this will be reduced to four days in FY2013. Similarly, two of the four paid County holidays eliminated in FY2012 will be restored in FY2013.

The proposed budget deletes one vacant full-time coded Library Clerk II/I position at the Milpitas Library, for a savings of \$74,163. The loss of Milpitas city contributions for expanded service hours, combined with loss of almost one percent in funding formula share for Milpitas, results in a reduction of over \$388,000, or 15% of the FY2012 personnel budget for Milpitas, most of which was addressed by the March 1 JPA Board action to delete positions and reduce extra help allocations in the Milpitas Library budget.

No filled positions are eliminated in the proposed budget.

Services and Supplies Summary:

Most Services and Supplies items decline from FY 2011-12 due to completion of the library-wide computer replacement project. County overhead charges are reduced based upon the state -approved cost allocation plan. The Books total base has been increased by \$250,000; contributions which may be received during the year will increase the amount available. Included in the total is \$305,000 for planned library building maintenance and improvement projects. Also included is \$734,630 to upgrade or replace the ILS (Horizon) system application and the replacement (\$43,200) of servers as detailed in the Technology Replacement and Improvement Plan.

FIXED ASSET and VEHICLE REQUEST

Fiscal Year 2012-13

Fixed Assets

The following fixed asset requests will be funded from with a transfer from the Technology Reserve.

Servers (2) \$22,700

Periodic replacement or upgrade of computer servers is recommended in the Technology Plan.

Automated Materials Handling Equipment

\$55,600

The addition of the Woodland Library AMHS will complete the installation of this equipment in all library locations allowing for greater efficiency in quickly fulfilling patron hold requests.

Uninterrupted Power Supply (UPS)

\$90,000

The current UPS for the main server room requires replacement due to age. The new appliance will be installed in the server room of the new Administrative Office building.

Total Request: \$168,300

BUDGETED RESERVES Fiscal Year 2012-2013

Capital Development (Building) Reserve

Amount Added: \$0

The designated Building Reserve serves to identify funding for future significant building repair and maintenance obligations. The approved Capital Maintenance and Repair Plan identifies the following projects to be undertaken in Fiscal Year 2012-13 at a total cost of \$305,000:

Replace defective lighting ballasts in the Campbell, Los Altos, Morgan Hill and Saratoga Libraries: \$90,000

Remodel the Circulation Desk and replace all public furniture in the Woodland Library: \$125,000

Replace the automated exterior doors at the Los Altos and Saratoga Libraries: \$75,000 Replace the HVAC Controller at the Morgan Hill Library: \$15,000

The current balance in this reserve: \$1,995,000.

Reserve for Future Operation (Technology)

Amount Added: \$474,373

The Board established this designated reserve to accrue financing for large, costly computer system upgrades and equipment replacement. In January 2012, the JPA Board considered an up-date to the three-year comprehensive plan for technology replacement and upgrade. The amount requested to be transferred from this reserve in Fiscal Year 2013 is \$416,157 plus \$474,373 from undesignated Fund Balance. It is needed to pay for the items detailed in the Fixed Asset request and certain Services and Supplies items primarily for replacement/ upgrade of the ILS (Horizon) application at a total cost of \$890,530.

The current balance in this reserve: \$416,157
