RECOMMENDED ACTION

It is recommended that the Board adopt the Fiscal Year 2016-2017 Final Budget.

BACKGROUND/REASONS FOR RECOMMENDATION

The Library District's revenues are expected to continue growing modestly. As a result, the Library is able to develop a budget that maintains existing hours and services, while sustainably adding staff to meet additional demand.

The approval of this budget is expected to be sustainable over the five-year forecast period:

Secured property taxes in FY 2016-2017 are forecasted to increase 4.6% over the projected FY 2015-2016 amounts based on estimates from the County Controller's Office, while all other property tax sources will remain flat except for "Excess ERAF" -- this line item was added this year to acknowledge the amounts reimbursed by the State of California toward the end of each fiscal year. All other revenue sources remain relatively flat. The "Budget Rollover from Prior Year" represents projects budgeted in 2015-16 that will not be accomplished until 2016-17, including a variety of large capital maintenance projects at the community libraries. The "Transfer from Reserves" represents FY 2016-2017 projects for which funding was set aside by the JPA Board in its approval of the Technology and Capital Maintenance Plans.

Four-Year Revenue Trend

FISCAL YEAR 2016-2017 PERSONNEL REQUEST

The proposed personnel budget of \$28,333,442 reflects a \$2,176,704 increase from the original JPA-approved Fiscal Year 2015-16 personnel budget. Nearly \$1,100,000 of this change is attributed to negotiated salary increases, while nearly \$460,000 is attributed to increased health and retirement benefit costs.

The balance of the increase is attributable to increased salary, benefit, and employee retirement contributions associated with the following proposed personnel actions:

- The addition of two part-time “floating” Librarians to fill public service librarian responsibilities due to long-term absences, temporary vacancies, and special projects throughout the system;
- The addition of one part-time Library Clerk for the Bookmobile;
- The addition of one full-time Library Assistant at the Services and Support Center offset by the deletion of one part-time Library Assistant and 1040 extra Library Assistant hours;
- The addition of one full-time Library Clerk at Campbell Community Library offset by the deletion of one vacant half-time Library Clerk;
- The addition of one half-time Library Assistant at Los Altos Community Library;
- The addition of one full-time Librarian at Saratoga Community Library offset by the deletion of one vacant part-time Librarian and 260 extra Librarian hours;
- The addition of one full-time Library Assistant and one half-time Librarian at Milpitas Community Library offset by the deletion of two vacant half-time Library Clerks;
- The addition of one half-time Library Clerk at Morgan Hill Community Library;
- The addition of 832 extra Library Clerk hours throughout the system;
- The addition of 494 extra Librarian hours throughout the system.

Facilities, Services and Supplies Summary:

Although there are a number of fluctuations identified above, many of these are related to the expenditure of one-time funds in a given fiscal year that do not repeat in another. For example, the \$260,852 decrease in software expenditures relates to the 2015-16 funding to replace the Integrated Library System software. The most dramatic increases include \$4,030,598 in "PC Hardware" for replacement of all public and staff computers, laptops, ADA stations and updated software (from the JPA Board approved Tech Plan), and \$255,282 in "Maintenance - Structures" for capital maintenance projects as discussed in the "Budgeted Reserves" and "Rebudget of Unspent Fiscal Year 2015-2016 Funds" pages of this document (pages 12 and 13, respectively).
