Fingerplay: This Little Snail

This little snail went to the garden
This little snail stayed home
This little snail ate flowers
This little snail ate none
And this little snail went slowly, slowly on his
own
(by Kyla Wong, Santa Clara County Library)

Song: The Little Brown Garden Snails

(to the tune: The Itsy Bitsy Spider)

The little brown garden snails crept through the
flower bed
Down came the rain, and the snails tucked in
their head
Out came the sun and dried up all the rain
And the little brown garden snails stuck out
their heads again
(by Kyla Wong, Santa Clara County Library)
